PRAYER OF CONFESSION AND ASSURANCE OF PARDON

O God, You create all peoples in Your image. Sometimes, we forget that what we do to the least of our brothers and sisters, we also do unto You. Forgive us for the times when we did not recognize you in those who are different. Forgive us, O God, when we do not see you in each person. We have created systems and structures that provide benefits and opportunities for some people, but use the same structures to exclude others. Forgive us, O God, when we silently appreciate the benefits for ourselves while supporting the continuing oppression of others. Forgive us and lead us into justice and righteousness.
